

The following is something to amuse you during the winter.

It was published on Friday 23rd October 2009

Hopefully the columns will be self-explanatory if you consider the following:-

GM	George Mear Trophy for last 6 matches of the season
HRS	Runs scored playing at home
HWL	Wickets lost playing at home
HRC	Runs conceded playing at home
HWT	Wickets taken playing at home
ARS	Runs scored playing away
AWL	Wickets lost playing away
ARC	Runs conceded playing away
AWT	Wickets taken playing away
Ave	Average runs per wicket for divided by runs per wicket against
Alt	the last proposed major revision to the current points system 4 for a win, 0 for a defeat, 2 for a tie or 3 for abandonment - all plus bonuses. Batting - 3 for 180, 2 for 140, 1 for 100runs Bowling - 3 for 10, 2 for 7, 1 for 4wkts Guaranteed 10pnts for a outright win Deducted points have not been considered in this calculation

Things worth considering when thinking about changes to points system

1. which is worst - negative batting or negative bowling or negative field-placement
2. HCCL adopted a rule on strict application of wides and dropped the rule after one season
3. HCCL increased the points for a win to 6 from 4 to make the 1 point less effective

Note:-

The following clubs have had points deducted for repeated registration infringements

These points have been reduced from their record of 1 points. e.g. 1x5points may be changed to 4x1points

Denby Dale A - 2 points (from 1 game)

Denby Dale B - 5 points (from 3 games)

Bradley & Colne B - 1 point (from 1 game)

Leymoor B - 1 point (from 1 game)
